

# BERNALILLO COUNTY PILE BURN WORKSHOP

**Saturday, February 24, 2024**  
**10am - 2pm**

Meet at the **Vista Grande Community Center** in Sandia Park for the morning classroom portion. The field portion will take place at the **Milne-Gutierrez Open Space** (12 min. SE of Sandia Park).

This workshop is for forest and fire practitioners and interested landowners to learn about creating prescriptions for pile burning, pile construction, PPE, containment, and permitting. The workshop will include both classroom and field components and will introduce attendees to the State's Certified Burn Manager Program.

*\*NOTE: Lunch will be provided to participants\**
